PADNOS

Since 1905

*The Leading Supplier Of Diverse,
High-Quality Recycled Products.*

VISIT PADNOS.COM

Turning Waste Into Value

Founded by Louis Padnos in 1905 in Holland, Michigan, PADNOS has grown to operate over 30 locations across two states. With over 125 years of operation, our Paper department specializes in custom paper processing and brokerage, delivering tailored solutions to meet the needs of our customers.

Our dedicated and expert team is at your service for all of your paper recycling needs.

Accepted Commodities

- Cardboard (OCC)
- SOP & new DLK cuttings
- Boxboard cuttings
- Pub & News blanks
- Coated books
- Sorted residential papers
- Hard whites
- Sorted white ledger
- Obsolete rolls

Our specialized equipment efficiently transforms your paper scrap into valuable resources, attractive to a global network of paper mills. At our extensive paper recycling facility, we can receive, sort, bale, and ship a complete range of paper grades to mills in virtually any location.

Processing & Logistics Capabilities

- High-density bales, valued by ton
- PADNOS can accept all marketable paper grades
- Segregated by commodity
- In-house freight forwarding services for export
- Drop trailer services
- Our state-of-the-art equipment includes balers & compactors

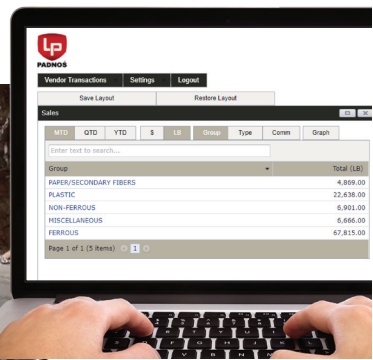

Mill Direct Brokerage

PADNOS offers in-house and mill-direct options

Customer Solutions

Customer Portal

- PADNOS offers real-time access to their recycling numbers via protected portal log-in.
- You can view total weight delivered, commodity and payment details, and scale images.
- Easily sorted by MTD, QTD or YTD.
